If index a mix of Green, Social project categories: allocation method across GSS projects	Market weighted allocation
New issuances	New issuances are added during the monthly rebalancing.
Description of governance	Administrative and Operations Committee. The rules for the index are reviewed at least once per year during the public annual index review consultation process to ensure that the index provides a balanced representation of the respective debt market. Decisions made following feedback from market participants, the annual index review and External Advisory Committees (EAC) will be published on www.ihsmarket.com shortly after the EAC meetings have been held. The publication will contain a detailed overview and timelines for implementation of any rules changes.
Section B - About the Administrator	
Index Administrator	IHS Markit Benchmark Administration Limited
National Supervisory Authority	FCA
Alignment to IOSCO Objectives and Principles of Securities Regulation and the IOSCO Assessment Methodology?	IHS Markit Benchmark Administration Ltd. complies with the IOSCO Principles for Financial Benchmarks.
About the Administrator	<p>IHS Markit Benchmark Administration Ltd. ("IMBA UK") was authorised by the UK FCA as Benchmark Administrator in July 2018 and complies with the UK Benchmarks Regulation. IMBA UK administers more than 34,000 benchmarks across financial and economic underlyings, including both IHS Markit proprietary and third-party indices. IMBA UK is listed as authorised Benchmark Administrator on the FCA Benchmarks register. Our benchmark administration activities have been conducted in line with the IOSCO Principles for Benchmarks since 2014.</p> <p>Our benchmark administration services leverage our deep experience in designing and calculating innovative indices with a commitment to the highest standards of governance and administration of benchmarks. We provide best practice compliance with global benchmark regulations, as well as the design and calculation of custom indices across asset classes. Our flexible approach to index design supports full customisation and access to a broad spectrum of data inputs from over 300 providers. Our independent benchmark administration services allow clients to retain ownership of their indices whilst avoiding the inherent conflicts of interest. We also provide endorsement and support recognition for third-country indices which require access to the EU/UK market.</p> <p>https://ihsmarket.com/products/benchmark-administration-uk.html</p>
